What is Hyperledger?

HYPERLEDGER

Launched in **2016**

200 companies (Jan 2018)

Fastest growing Linux Foundation
organization

 **THE LINUX** FOUNDATION

What is HL Fabric?

A graphic featuring a dark blue background with a network of white dots connected by thin blue lines, resembling a distributed ledger or blockchain structure. The text "HYPERLEDGER FABRIC" is centered in a white rectangular box.

HYPERLEDGER FABRIC

*General purpose, distributed
ledger technology*

~ 160 committer from
28 companies (Jan 2018)

What is HL Fabric?

The background of the slide features a dark blue field with a complex network of white dots connected by thin white lines, resembling a digital or blockchain network. A dark blue rectangular box is positioned in the upper center, containing the text "HYPERLEDGER FABRIC" in white, all-caps, sans-serif font.

HYPERLEDGER FABRIC

Upcoming v1.1

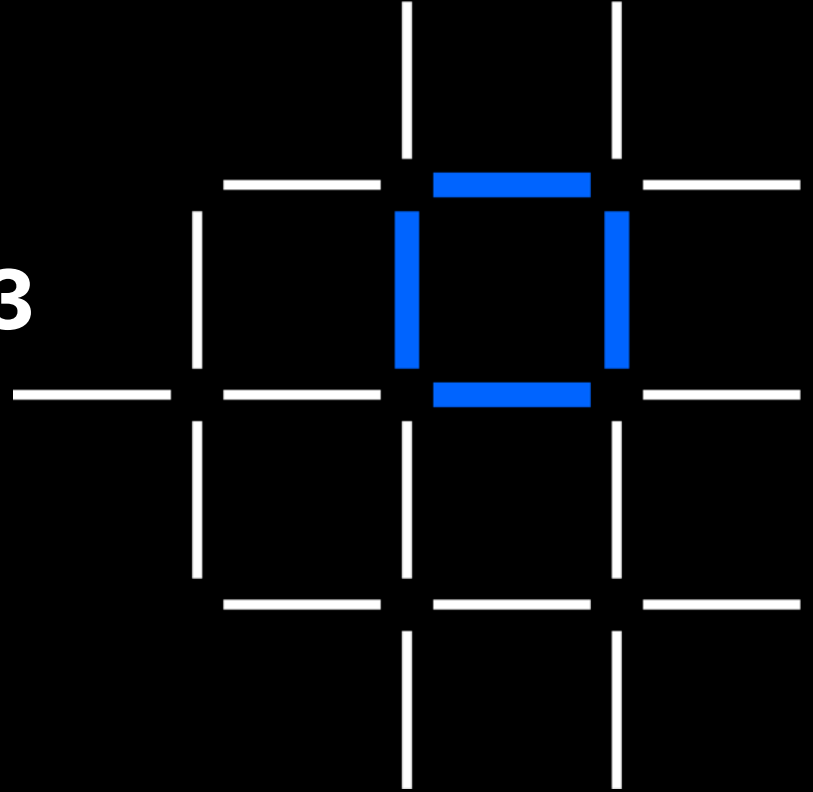

JavaScript & Java Chaincode
Increased Privacy / Encryption
(e.g. Identity Mixer & Collections)
Performance Improvements

 THE **LINUX** FOUNDATION

Permissioned Blockchains
